Diminishing forest cover

1308. SHRI S.S. AHLUWALIA: Will the Minister of ENVIRONMENT AND FORESTS be pleased to state:

(a) whether it is a fact that the forest cover in the country has been diminishing;

(b) whether any survey/study has been carried out in the recent past in this regard;

(c) if so, the details of forest cover existed, State-wise, during the 1950's and as at present alongwith corresponding details of the size of Inhabitants in these forests;

(d) the details of inhabitants in forest lands found to be substantially depended upon the respective forest for their subsistence,State-wise; and

(e) the steps envisaged, if any, to arrest the diminishing trend of forest as well as to protect the subsistence of the tribal inhabitants therein?

THE MINISTER OF STATE IN THE MINISTRY OF ENVIRONMENT AND FORESTS (SHRI NAMO NARAIN MEENA): (a) No, Sir. As per the State of Forest Report, 2003 published by Forest Survey of India, forest cover in the country is 678,333 sq. km which is an increase of 2795 sq. km over the previous assessment of 2001 (SFR, 2001).

(b) to (d) Assessment of forest cover is being done by Forest Survey of India since 1987 on a two-year cycle. The latest one is State of Forest Report, 2003. The Forest cover assessed by Forest Survey of India since 1987 is given in the Statement (*See* below). The report does not provide any information on the number of inhabitants in forest lands, which are maintained by the States.

(e) To increase the forest cover and to protect the subsistence of the tribal inhabitants, the following action have been taken:

(i) In order to regenerate degraded forest and land adjoining forest areas with the involvement of local people, this Ministry is implementing National Afforestation Programme (NAP) through a two-tier decentralized implementation mechanism-Forest Development Agency (FDA) at Territorial/Wild life Division level

and Joint Foerst Management Committees (JFMCs) at village level during the 10th Five Year Plan.

(ii) Under the Forest (Conservation) Act, 1980 for protection of rights of forest dwellers, the Central Government issued detailed guidelines in September, 1990 for ascertaining and granting of such forest rights, *viz.* settlement of disputed claims on forest land, regularization of pattas, leases, etc., regularization of pre 1980 encroachment, and coversion of forest villages into revenue villages.

Statement

Details of forest cover assessed by forest Survey of India.

Tiger population

1309. SHRIMATI SUKHBUNS KAUR: Will the Minister of ENVIRONMENT AND FORESTS be pleased to state:

(a) how far the Tiger population and poaching figures in the latest annual report of his Ministry in different National Parks, sanctuaries and tiger reserves have been found correct and sustainable, as a result of the recent counting and census carried out in each Parks, reserve or sanctuary, espeacially Sariska and Ranthambhore;

(b) the comparative population and poaching figures between 1999 and 2003 and the latest counting figures in each Reserve; and

(c) the reasons for disparities?

THE MINISTER OF STATE IN THE MINISTRY OF ENVIRONMENT AND FORESTS (SHRI NAMO NARAIN MEENA): (a) The country level estimation of tigers is done once in four years, which is collated by the Government of India. States carry out tiger estimation in their protected
